PRACTICE REPORT RUBRIC

IMS Band students are expected to practice outside of band class. This is essential to the development and success of the individual band student as well as the success of the overall band. Students are expected to practice a total number of 100 minutes per week (20 minutes every school day) outside of regular band class. This counts as a homework grade for the student (10% of the overall grade in band). Students earn a percentage point for every minute they practice.

Grades for this nine week period:

810-900 minutes = A
720-809 minutes = B

630-719 minutes = C
540-629 minutes = D

0-539 minutes = F

Students should keep this packet in their music binder. There will be spot checks in class to verify that the practice report is being used and that is stored with their music.

Receive FULL credit for your report and make sure it meets these requirements:

- Check that your name is on your report! You cannot get credit if we don't know who you are!
- Weekly assignments must be written on the report for each week. If not, the point total for that week will be deducted by 10 points. It is up to the student to get the weekly assignments if the student misses class.
- Add up your minutes and complete the Weekly and Nine Weeks Totals! Reports without totals will be deducted 10 points for EACH total missing. Mrs. Murray does not like to do math! ☺
- Reports without weekly parent initials or signature (on the last page) **will not be accepted**.
- Reports received after the due date will lose 10 points per day.
- Reports **MUST** be turned in by the last day of the nine week period or the student will earn a ZERO for practice reports for that grading period.
- Students in more than one band class must have a practice report for EACH band class. For example, students in both Wind Ensemble and Concert Band must have separate practice reports for EACH class.

EXTRA CREDIT:

- A MAXIMUM of 20 points PER WEEK is available for EXTRA CREDIT.
- 100 points in EXTRA CREDIT can be earned ONCE per nine week period by attending a LIVE MUSIC CONCERT. Turn in the program from the event with the student's name, class period and band class ON THE PROGRAM to earn the extra credit.
