Dear Potential Sponsor:

Through the support of the Jupiter/Tequesta community, the Independence Middle School Eagle Band has become one of the most outstanding middle school programs in our state. In our effort to continue to raise the bar in our expectations, we are conducting our annual funding drive. Our operating expenses exceed \$30,000 per year. This year, in addition to this operating expense, we need to purchase new instruments and music for our band, as well as bring in professional instructors to give our students small group attention so they may become outstanding musicians. These instructors have a tremendous positive impact on our band program.

Rather than selling items to the public for a fundraising company that takes more than 50% of our profits, we are asking for you to sponsor a Band student. ALL of the money you donate will go directly to the students to help purchase the needed equipment and run our band program. Your sponsorship will have a lasting benefit for the students at Independence Middle School. In return, you will receive a personal letter from the Band, thanking you for your tax-deductible donation. Your name will also appear in our concert programs and/or our Band website as an Independence Middle School Band Sponsor.

Please fill in the information below so we can give credit to the correct student and send you a thank you letter in the mail! Due to COVID concerns, we strongly encourage Band families to pay online using palmbeach.schoolcashionline.com! (Checks should be payable to "Independence Middle School.")
